ABOUT Us

The Franco-Namibian Cultural Centre (FNCC) is a binational organization established in Windhoek in 1991. We offer French language courses for kids, teenagers and adults as well as cultural activities by organizing conferences, film screenings, dance shows, concerts, and exhibitions.

As a vector of French and universal values, the FNCC contributes to the promotion of Francophonie and culture as well as the arts of Namibia and France, in all their dimensions.
