A COLLECTIVE PHOTOGRAPHY EXHIBITION

**NAMIBIA BY NAMIBIAN
PHOTOGRAPHERS**

Join us for this innovative collective exhibition that will bring together works by amateur as well as professional photographers.

15 photographers will present two artworks each, with only one imposed criteria: photographs must have been taken in Namibia. The rest was left up to the sensitivity of each of them: style, subjects, technique. This exhibition about Namibia will depict wildlife, landscapes, scenes of life, and everything in between.

This will be the occasion to admire this beautiful country in a privileged space, at each person's own rhythm. In a society where more and more photographs are available online, consumed at an accelerated pace, to the sound of the click of a mouse, forgetting the previous one, it felt important to give these photographers a platform to express their love for Namibia.

Rejoignez-nous pour cette exposition photographique de photographes amateurs et professionnels mettant la Namibie à l'honneur.
